Major Cemeral William W. Quinn United States Army Headquarters 4th Division Port Lewis, Washington

Dear Bill:

Many thenks for your good letter of 9 January and heartiest congratulations on the well-deserved promotion.

Your assignment at Fort Lawis sounds good and I'm sure you will enjoy it. Let me know later on when you may be in Washington so we can discuss further the matter you mention.

I have an appointment this week to see the chap you mentioned in your letter and will be very pleased to talk with him.

Sincerely,

SINT
